

## **Retesting Procedures**

Prior to program admission, a student with assessment scores less than the established minimum scores on ACCUPLACER or any other TCSG validated assessment instrument may request reassessment through one of three options:

1. Utilize CPTC's Adult Education Center and be referred for retesting.
2. Utilize an online readiness assessment in the area of retest and provide documentation of review.
3. Wait 15 days prior to retesting.

A Retest fee of \$15 will apply.
