GOING SOMEWHERE?

TRANSFER CREDITS FROM COASTAL PINES TECHNICAL COLLEGE

We're making it easier for students to get to their ultimate educational destination after graduating from Coastal Pines Technical College (CPTC). Articulation agreements between the University System of Georgia (USG) and the Technical College System of Georgia (TCSG) have enhanced how CPTC students are able to pursue baccalaureate degree opportunities. Many general education courses are now transferable to USG institutions from CPTC for credit in the core curriculum, the basic courses all students must take to earn a degree.

USG institutions and CPTC will accept the general education courses listed here for transfer. Many of these courses will also be accepted by private colleges and universities in Georgia.

CPTC COURSE TITLE & NUMBER	USG EQUIVALENT	AREA OPTION
Art Appreciation • ARTS 1101	ARTS 1100 - 1107	Area C | Humanities, Fine Arts, & Ethics
Biology I/Biology Lab 1 • BIOL 1111/BIOL 1111L	BIOL 1111/BIOL 1111L	Area D | Natural Sciences, Math & Technology Non-Majors Biology credit
Biology II/Biology Lab II • BIOL 1112/BIOL 1112L	BIOL 1112/BIOL 1112L	Area D | Natural Sciences, Math & Technology Non-Majors Biology credit
Survey of Inorganic Chemistry • CHEM 1511 **Survey of Inorganic Chemistry Lab • CHEM 1511L**	CHEM 1151 CHEM 1151	Area D | Natural Sciences, Math, & Technology Health Sciences Majors Chemistry credit
Survey of Organic Chemistry & Biochemistry • CHEM 1152 Survey of Organic Chemistry & Biochemistry Lab • CHEM 1152L	CHEM 1152 CHEM 1152L	Area D | Natural Sciences, Math, & Technology Health Sciences Majors Chemistry credit
Principles of Economics • ECON 1101	ECON 1101	Area E | Social Sciences
Macroeconomics • ECON 2105	ECON 2105	Area E for Non-Majors
Microenomics • ECON 2106	ECON 2106	Area E for Non Majors
Composition and Rhetoric • ENGL 1101	ENGL 1101	Area A1 | Communication Skills
Literature and Composition • ENGL 1102	ENGL 1102	Area A1 | Communication Skills
American Literature • ENGL 2130	ENGL 2130	Area C | Humanities, Fine Arts & Ethics
World History I • HIST 1111	HIST 1111	Area E | Social Sciences
World History II • HIST 1112	HIST 1112	Area E | Social Sciences
U.S. History I • HIST 2111	HIST 2111**	Area E | Social Sciences
U.S. History II • HIST 2112	HIST 2112**	Area E | Social Sciences
Introduction to Humanities • HUMN 1101	HUMN 1101	Area C | Humanities, Fine Arts & Ethics
Mathematical Modeling • MATH 1101	MATH 11101	Area A2 | Quantitative Skills
Quantitative Skills & Reasoning • MATH 1103	MATH 1001	Area A2 | Quantitative Skills
College Algebra • MATH 1111	MATH 11111	Area A2 | Quantitative Skills
Pre-Calculus • MATH 1113	MATH 1113	Area A2 | Quantitative Skills
Introducation to Statistics • MATH 1127	MATH 1401/STAT 1401	Area A2 | Quantitative Skills Area D | Natural Sciences, Math, & Technology
Calculus I • MATH 1131	MATH 1131	Area A2 | Quantitative Skills Area D | Natural Sciences, Math, & Technology
Introductory Physics I • PHYS 1111 **Introductory Physics I Lab • PHYS 1111L**	PHYS 1111 PHYS 1111L	Area D | Natural Sciences, Math, & Technology Algebra Based Physics credit
Introductory Physics II • PHYS 1112 **Introductory Physics I Lab • PHYS 1112L**	PHYS 1112 PHYS 1112L	Area D | Natural Sciences, Math, & Technology Algebra Based Physics credit
American Government • POLS 1101	POLS 1101**	Area E | Social Sciences
Introductory Psychology • PSYC 1101	PSYC 1101	Area E | Social Sciences
Introduction to Sociology • SOCI 1101	SOCI 1101	Area E | Social Sciences
Public Speaking • SPCH 1101	COMM 1100 - 1110	Area B | Institutional Options Area C | Humanities, Fine Arts, & Ethics
