Your Financial Aid Award Awaits

1. Complete a Free Application for Federal Student Aid (FAFSA)

Visit studentaid.gov and complete the **2021-2022** form. Additional information below.

When possible, use the online IRS data retrieval tool in FAFSA. The website will automatically transfer IRS information from your 2019 tax return. If you do not use the data retrieval tool, you may be required to request tax transcripts from the IRS. Tax returns will not be accepted. The verification process will delay your financial aid award.

Use Federal school code **005511**

2. Complete the Coastal Pines Technical College (CPTC) In-House Financial Aid Information Form (on the back of the next page) and submit to a CPTC financial aid technician.

3. Submit two proof of Georgia Residency documents to a CPTC financial aid technician. Additional information on the next page.

4. Three weeks after completing the FAFSA, check with a financial aid technician for results.

Free Application for Federal Student Aid (FAFSA)

2021-2022 FAFSA | Fall 2021, Spring 2022, Summer 2022

FAFSA TIPS

The FAFSA is **FREE, FAST, and EASY!** If you have questions about the form, call the FAFSA Help Desk: 1-800-4-FED-AID (1-800-433-3243).

Do not forget to sign the application. If you are filing as a dependent, make sure your parents obtain a FSA ID to sign electronically.

Don't leave a field blank. If a question doesn't apply, enter "0".

Enter your name on the FAFSA as it is shown on your social security card. Using anything other than the legal name will result in major delays during processing.

Step 1: Apply for a FSA ID

The FSA ID (a username and password) must be used to log in to certain U.S. Department of Education websites. Your FSA ID confirms your identity when you access your financial aid information and electronically signs Federal Student Aid documents.

Visit fsaid.ed.gov

Enter your log-in information (provide your e-mail address, a unique username, and password).

Enter your personal information (provide your Social Security number, name, and date of birth; include your mailing address, e-mail address, telephone number, and language preference; for security purposes, provide answers to five challenge questions). Submit your FSA ID information.

Step 2: Gather Documents Needed

You may need the following items to help you complete your online application:

- Your social security number and date of birth
- Current bank statements
- Value of assets: personal investments (stocks) and/or business and/or farm investments
- Alien registration card (non-citizens only)
- 2019 Federal tax return and W-2's (see Step 3)

Step 3: Complete the FAFSA

1. Complete the FAFSA on the Web at studentaid.gov.

For the **2021-2022** year, you can apply between October 1, 2020 and June 30, 2022. The IRS allows tax information to be entered on the FAFSA using the online IRS Data Retrieval Tool for students and /or parents. Students and parents are encouraged to use the IRS Retrieval Tool, if possible, to transfer the data directly from the IRS website into their FAFSA. This is the most efficient and preferred method to complete the FAFSA.

Federal School Code is 005511

2. Submit the FAFSA.

Once you see your confirmation page, you'll know you've successfully submitted your FAFSA. You'll automatically receive the confirmation page by e-mail.

Step 4: Review your Student Aid Report (SAR)

The SAR is proof that your FAFSA was received. You should receive your electronic SAR in 1-3 days if you signed with your FSA ID. It can take longer for the financial aid office to receive. Allow extra time for the college to receive your FAFSA.

Georgia Residency Documents

Due to strict state guidelines pertaining to residency, students are required to submit two Proofs of Georgia Residency documents. If you are a dependent student*, Proof of Georgia Residency documents are required on your parents. If you graduated from a Georgia high school or earned your GED in Georgia, you must prove one year Georgia residency prior to the date the semester begins. If you did not graduate from a Georgia high school or obtain your GED in Georgia, you must prove two years of Georgia residency prior to the date the semester begins.

*A dependent student is an individual under the age of 24 claimed on his/her parent's income tax return.
