

# Associate of Science in Nursing (ASN) Application Information

## Important Dates

### Application for Selection Due Date

The ASN program accepts students once a year in the Spring Semester. Application for program admission is due by September 23, 2021.

### Start Date and Locations

The Spring 2022 Associate of Science in Nursing Program is now accepting program applications.

- Jesup (Day Program)

## Selection Requirements

### Admissions Requirements

The following criteria must be provided to the Admissions Office prior to the deadline to satisfy the admissions requirements for the ASN program:

1. Submit CPTC Admissions Application
2. Complete the ASN Program Application Survey Online. Link provided at the end of the instructions.
3. Submit valid driver's license or birth certificate verifying age requirement of 18.
4. Have all final transcripts on file with CPTC. (College, High School and/or GED)
5. Have acceptable test scores (no older than 5 years) or credit must be received for the Math and English courses required in the program. Math and all BIOL courses are only valid for 5 years.

### GPA Requirement

A GPA of 2.8 in the prerequisite courses is required for entry in the ASN program. If a course is taken more than once, the last grade earned in each course is used for GPA consideration.

### HESI Requirement

A score of 75 or better is required on each section of the HESI test. Two attempts will be allowed to pass the Math, Reading Comprehension, Anatomy and Physiology, and Critical Thinking. HESI scores are good for two years.

### Additional Points Consideration

Additional points will be given for course completions with a C or better and educational credentials for the following accomplishments:

1. ALHS 1090 – Medical Terminology – 5 Points
2. NAST 1100 – Nurse Aide Fundamentals and/or proof of Health Care Assistant TCC. Current GA Nurse Aide License – 5 Points
3. PHLT 1030 – Introduction to Venipuncture – 5 Points
4. Associate Degree or Higher – 5 Points

5. Current GA LPN License – 5 Points
6. Allied Health Diploma with current GA license or completion of all core pre-requisites at CPTC – 5 Points

### Selection Process

The GPA in prerequisite courses, HESI scores and bonus points are used as the basis for applicant rating; in case of ties, HESI scores will be used as the deciding factor. Applicants must complete all the prerequisite courses with a C or better, and applicants must have 75 or better on each part of the HESI test prior to the application deadline to be considered.

### Selection Course GPA

The following course list is used for GPA consideration.

- BIOL 2113
- BIOL 2113L
- BIOL 2114
- BIOL 2114L
- BIOL 2117
- BIOL 2117L
- ENGL 1101
- PSYC 1101
- MATH 1111
- Humanities Course
- General Core Elective

### Criminal Background, Health Screenings, and CPR Requirements

It is required for all ASN students to complete Health Examinations and a Criminal Background check upon acceptance to the program. A current American Heart Association Health Care Provider BLS CPR card is required of all ASN students at program entrance. No other CPR cards are acceptable. This information will be provided in acceptance packets.

### Apply and Prepare

- Submit all official documentation to the CPTC Admissions Office by the due date
- Make sure your mailing address is up to date for program correspondence.
- Documents are only considered to be official if received in a sealed envelope from the sending institution.
- Student must attend program orientation. Dates and times will be communicated to applicants selected.
- Students will receive a letter of acceptance or declination from the program director. Letters are sent to the mailing address on record in admissions.
- Failure to confirm acceptance and attend program orientation will result in the student's seat in the program revoked and awarded to another applicant.

## Information for Selectees

### Completion of Required Courses

The courses calculated for selection BIOL 2113, BIOL 2113L, BIOL 2114, BIOL 2114L, BIOL 2117, BIOL 2117L, ENGL 1101, PSYC 1101, MATH 1111, Area IV (Humanities Elective), and Elective Core from Area I, II, III, or IV require a C or better when grades post prior to the application due date. If a course is taken more than once, the last grade earned in each course is used for GPA consideration. BIOL 2113, BIOL 2113L, BIOL 2114, BIOL 2114L, BIOL 2117, BIOL 2117L, and MATH 1111 will not be considered if over 5 years prior to ASN program start date.

### Financial Aid

All students seeking financial aid assistance should have financial aid requirements complete prior to the application due date. Completion of financial aid requirements can prevent monetary burdens at the time the program starts.
