

# 2022 ANNUAL REPORT

# PRESIDENT'S MESSAGE

**LONNIE V. ROBERTS**  
President

As president of Coastal Pines Technical College (CPTC), I am pleased to be able to share our 2022 Annual Report. Within this report, you will find highlights that demonstrate our commitment to workforce development and the lifelong learning needs of our communities, businesses, and industries.

Throughout the 2022 Academic Year, we continued to face the challenges brought about by COVID-19. I am extremely proud of and grateful to our faculty and staff for their dedication and commitment to our students. Whether it was on the credit or non-credit side, their hard work helped keep our students on track and contributed to the workforce development of our region and state.

I am also grateful to our Local Board of Directors and Foundation Board of Trustees. Their commitment to CPTC and our students has never wavered. Their leadership, stewardship, and support help make our job easier.

And to our students, thank you for choosing Coastal Pines and allowing us to help you reach your educational and career goals. Seeing you succeed and successfully enter the workforce makes what we do worthwhile.

This report is a celebration of the achievements of the past year. But it is even better to celebrate the people who are responsible for those achievements. So, to our faculty and staff, our Directors and Trustees, and most of all, our students this report is a celebration of you. I salute you and thank you.

You make me proud to be a Stingray!

A handwritten signature in black ink that reads "Lonnie V. Roberts". The signature is fluid and cursive.

Lonnie V. Roberts, President  
Coastal Pines Technical College

# ABOUT COASTAL PINES

## Mission

Coastal Pines Technical College, a unit of the Technical College System of Georgia, is a multi-campus, two-year college in Southeast Georgia that supports the workforce development and lifelong learning needs of communities, businesses, and industries. Through traditional and distance delivery formats, the learner-centered College offers associate degree, diploma, and technical certificate programs; continuing education opportunities; adult education services; and customized training for economic advancement.

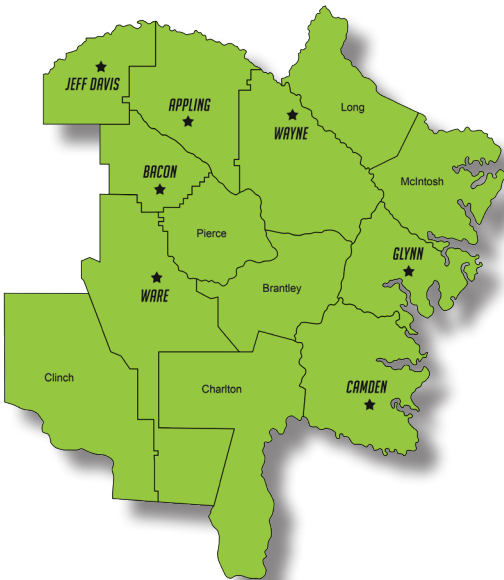

## Vision

Coastal Pines Technical College will be the premier, regional center of higher education for student learning and community development.

## Accreditation

Coastal Pines Technical College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate degrees, diplomas, and technical certificates of credit. Contact the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 ([www.sacscoc.org](http://www.sacscoc.org)) for questions about the accreditation of Coastal Pines Technical College. Inquiries such as admission requirements, financial aid, educational programs, etc., should be addressed directly to Coastal Pines Technical College and not to the Commission's office. Coastal Pines Technical College's contact information is Coastal Pines Technical College, 1701 Carswell Avenue, Waycross, GA 31503, [www.coastalpines.edu](http://www.coastalpines.edu), 912-287-6584.

# BOARD OF DIRECTORS

The Coastal Pines Technical College Local Board of Directors is composed of members representing the College's designated thirteen-county service area.

CPTC board members represent a variety of workforce areas and leadership backgrounds and bring with them a wealth of experience and knowledge. They often communicate community needs to the President and administrative team; as a result, CPTC considers its local Board of Directors a vital asset in the quest to fulfill the mission of the College.

The Board meets on a regular basis, and the public is invited to attend.

# ECONOMIC DEVELOPMENT

The Economic Development Division supports the mission of Coastal Pines Technical College and strives to be Southeast Georgia's premier source for workforce development solutions through four primary functions:

1. Continuing Education provides individuals with hundreds of high-quality non-credit training solutions that are designed for professional and personal development including many that result with industry recognized certifications.
2. Customized Employee Training provides employers with a practical and cost-efficient solution for high-quality customized employee training. The curriculum, schedule and location are tailored to the request of an employer, then developed and delivered by professionals with relevant business and industry experience.
3. Conference Centers & Facility Rentals provide employers, individuals and organizations with high-quality venues and services for conferences, events, meetings, training retreats, weddings, receptions, and reunions.
4. Employer Services help connect employers with a wide variety of solutions such as Quick Start that provides free training for qualified, new or expanding employers, and WorkSource Georgia (WIOA) that provides funding for qualified employee or recruitment training, employer and community relations, and more.

# ADULT EDUCATION

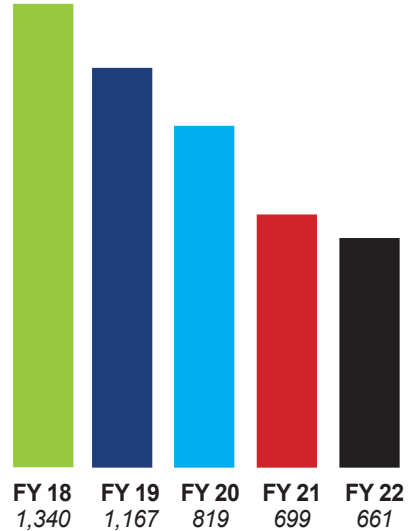

The Adult Education program at Coastal Pines Technical College is specifically designed for adults who need assistance with academic skills. Programs offer flexible schedules that meet the needs of any individual who wishes to participate. Classes and supplies are free of charge. Students who obtain a GED® and go on to further their education receive a \$500 HOPE voucher for continuing their education.

- 897 students served.
- 661 students enrolled.
- 118 level completions.
- 172 HSEs awarded.
- 233 test takers took all four GED exams.
- 337 test takers took at least one GED exam.

# CLUBS IN ACTION

Students started the school year out right with SGA sponsored hot breakfasts on the first day of the spring and fall semesters. SGA also sponsored various challenges and events throughout the year, including a Constitution Day Trivia, Mental Health Awareness, a Virtual Resource Fair, and other collaborations. This year, we focused on Suicide Prevention by offering free Question Persuade Refer training. We are grateful to have trained over 70 faculty, staff, and students who are now certified Suicide Prevention Gatekeepers!

SkillsUSA and Phi Beta Lambda kicked off with a Pop-In Event at each campus to recruit students to sign up for the 2022-2021 year. Special Populations students were offered individual additional support and greeted by our Special Populations Coordinator, Lindy Cisco. Both student organizations are currently meeting monthly and preparing to take students and staff to the state competitions in February.

We had over 400 students eligible for membership in the National Technical Honors Society this year and are planning an induction ceremony this fall! The HORT Club has been busy beautifying our campuses and hosting plant sales several times a year. Lambda Nu remains active and engaged inducting new students as they become eligible.

SkillsUSA stole the show at the Postsecondary Competition this year. Steven Green, a Practical Nursing student on the Waycross campus, won the Gold medal for Nurse Assisting. Mr. Green went on to win the national competition as well! Ashley Dowling, Anna Kennedy, Hannah Thornton and Amberly Rentz, all Practical Nursing students participated in the Health Knowledge Bowl competition and earned a Silver medal for coming in second place. The Skills USA chapter of Coastal Pines Technical College also won third place for the largest membership increase.

CPTC held a blood drive where staff and students were very generous and donated a total of 35 units. Their donations can save up to 105 lives! We had even more people who attempted to give but were unable to do so. We are so thankful for all those who made the effort to try and give and those who did!

The students also enjoyed Student Activity Days in the summer, spring and fall semesters with lunches, merch bags, give-aways, and fun activities like aqua massages and axe throwing. We partnered up with our own CPTC police to offer a shooting simulator and target practice!

*Steven Green, a Practical Nursing student at CPTC, won the Gold Medal for Nurse Assisting at the SkillsUSA Postsecondary Competition and also competed and won in the National Competition.*

## MESSAGE FROM FOUNDATION CHAIR LARRY PAULK

**Larry Paulk, Chair**  
Ware County

Each semester, hundreds of students from all walks of life take their first steps as Coastal Pines Technical College students. All of them took a courageous step towards change whether they have just graduated from high school this year or several years ago. All of them believe higher education will be the key to their success. Whether you gave to the Coastal Pines Technical College Foundation for the first time this year or your connection is longstanding, thank you for investing in scholarships and programs for the CPTC students. Your gifts help ensure every deserving student receives the support they need to complete their educational goals at CPTC. We are so proud to have awarded more than six hundred students funds this past year. It is the CPTC Foundation's privilege to serve them. Thank you for your support!

## TO DONORS & VOLUNTEERS

Thank you for all you have done during 2022 to make Coastal Pines Technical College stronger and more effective. Your donation of time and/or money to our Coastal Pines Technical College Foundation made a difference. Your contributions will allow the Foundation to provide critical resources, such as scholarships, grants, and loans that (1) make technical education more accessible, (2) impact enrollment, retention, and graduation, and (3) support and recognize student achievement and student success.

Even during these difficult times, the CPTC Foundation received the premier Technical College Foundation Association Role Model Board Certification status for 2022 for the eighth year in a row. The TCFA Role Model Foundation Board Certification is an honor bestowed on the TCSG Foundations that:

- Engage in best practices in nonprofit governance, board management, and operations;
- Have policies in place to ensure compliance with state and federal regulations, especially in financial matters;
- Are led by a Board of Trustees whose members are actively engaged in the foundation's development activities; and support the professional development and state-level participation of their Trustees, Executive Director and college advancement personnel.

# John P. Pike Memorial CPTC Golf Tournament

*First Place Gross  
Enviva*

*First Place Net  
Okefenokee REMC*

*Special Thanks to the Pike Family*

The 2022 John P. Pike Memorial CPTC Scholarship Golf Tournament was held on October 14 at the Okefenokee Country Club. The Pike family, along with many other friends and community sponsors, were on hand for the day's activities. The tournament was a great success with 20 teams participating and raising over \$22,000 for the General Scholarship Fund. Proceeds benefit CPTC students by providing financial assistance for tuition, program tools and textbooks. Big thanks go out from the Trustees and the College Advancement staff to everyone who made the event Special Thanks To bigger and better than ever!

## CPTC Foundation Raffle Fundraiser

### *Dollars for Scholars Raffle*

CPTC Foundation raised over \$1,400 for scholarship funds. The 50/50 cash raffle winner was Glenn Deibert. A special thanks not only to those who helped sell the raffle tickets, but also to everyone who purchased tickets to help make this fundraiser a tremendous success.

## GOAL AWARD WINNER

### **ASHLEY DOWLING**

#### *Practical Nursing Student*

Ashley Dowling, a resident of Long County, was selected as the 2022 GOAL (Georgia's Occupational Award of Leadership) Winner for Coastal Pines Technical College. The Georgia Occupational Award of Leadership (GOAL) is a program of the TCSG that recognizes and pays respect to the outstanding students in our colleges. Ashley graduated in August 2022 from the Baxley campus Practical Nursing program. Ashley plans to become an air evacuation nurse and to start a childcare business. In her spare time, Ashley loves to read, ride bikes and crochet.

## RICK PERKINS AWARD WINNER

### **JOHN KENNEDY**

#### *Electrical Lineworker Lead Instructor*

John Kennedy was selected as the 2022 Rick Perkins Instructor of the Year for Coastal Pines Technical College. The Rick Perkins Award for Excellence in Technical Instruction honors technical education's most outstanding instructors. The award has been an ongoing statewide event since 1991 and is designed to recognize technical college instructors who make significant contributions to technical education through innovation and leadership in their fields. John, a resident of Camden County, is the Lead Instructor of the Electrical Lineworker program on the Waycross campus at Coastal Pines Technical College. John has been employed with CPTC since 2017. Prior to Coastal Pines, John worked with Georgia Power for 40 years.

## EAGLE AWARD WINNER

### **BARBARA RICHARDSON**

#### *Adult Education Student*

Barbara Richardson was selected as the CPTC 2022 Exceptional Adult Georgian in Literacy Education (EAGLE) winner. EAGLE is a statewide program that recognizes and rewards excellence among students enrolled in adult education programs. She is a student at the Adult Education Center in Waycross. She also represented Coastal Pines Technical College at the TCSG EAGLE Leadership Summit in Atlanta.
